

ANAKASH KUMAR.

CSE-2010 ; ROLL - 114429.

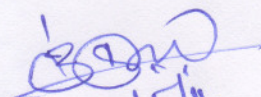

RANK- 276 ; TOTAL MARKS- 1176

OPTIONALS - MECHANICAL ENGG. & MATHEMATICS.

11<sup>th</sup> May 2011, 3:17 pm, a click of mouse & life changed. And it changed drastically for betterment. Cracking the civil services is not easy. It never was, especially with the kind of optionals I opted for. I was advised 'n' no. of times to change one of the optionals to any of the humanities. But I persisted with these simply because of my interest and a firm belief that I can do better with them.

Being a Mechanical Engineer I was tempted towards these optionals but I faced difficulties in some of the areas of mathematics like Modern Algebra among others. But with the kind guidance of Sri K. Venkanna, Sr. of the Institute of Mathematical Sciences it became a lot easier and some sort of fun. ~~Studying Maths~~. The test scales was meticulously devised which gave me a examination like feeling and my final performance was not too different from those in the test scales. ~~The~~

The 24x7 sort of guidance and motivation provided by Sri was of immense help and I thank him, besides my father, mother, wife & friends for this rare piece of achievement in my life bestowed upon me by the almighty.
